<b>Notes:</b>								
<b>Second Session (July 3 - July 28, 2017) only.</b>								
<p>Black cells indicate that the lab is closed. Shaded (or blue) cells indicate periods in which classes are scheduled for the lab and during which outside students may not use the lab without permission from the course instructor. Note also that classes scheduled for the lab may not always meet during their scheduled times. When this is the case, outside students can use the lab as open hours.</p>
